

GOD IS LOVE

Jesus is one
of God's
beloved sons

God Loves
All His
Children

God's Grace
purifies our
soul's love
& changes us
into angels

Praise
God

Through
God's Love
we are
Healed

Faith is required
to experience a
spiritual healing

Seek Truth with
your heart and you
will find the Way

Spiritual Truth can be
perceived only by a
soul developed in Love;
It then can be accepted
by the reasoning mind

Prayer is the key
that unlocks the
door to your heart

The soul is to things
Spiritual what
the mind is to
things Material

Love is the ingredient
of all knowledge

Soul development is
an individual matter
between each soul
& the Soul of God

God always answers
sincere, heartfelt prayers
in a beneficent way

The Truth shall
set you free

Earth life is only a moment in comparison to Eternity.
Anything done in Love is in harmony with the Laws of God.
Spirits who pass into darkness can still progress into the Light.
